Accessing online learning from home

Each student in NSW has access to an email and online learning platform through their student portal. This can be accessed at school, at home and on a mobile device.

Steps to access student email

1. Log in to the device and open your internet browser. Google Chrome is the best browser to use for this process. If you do not have Chrome installed, download the browser using Internet Explorer/Edge.

2. In Chrome google “det student portal” and select the first link.
3. Students log in with their usual school username and password

4. Once logged in to their Student Portal, students can click on the email link on the left hand side of the page.

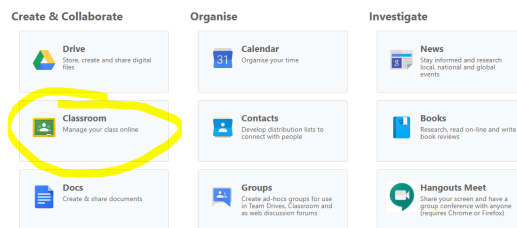

5. Students should check their emails regularly to see if staff have contacted them. New tasks and information will be emailed to students regularly.

Steps to access Google Classroom

1. Students are to log in to the Student Portal using the same steps as accessing emails.
2. Once students are in their Student Portal they will need to scroll down to the Learning tab and expand it. Once expanded there will be a link to G Suite.

3. Once G Suite opens, click on the Classroom icon and it will take you to the Classroom homepage.
